

NORTHWEST COLLEGES BASKETBALL ALL STAR TOUR: WOMENS

GET RECRUITED! ★ ALL STATE / ALL REGION PLAYERS

"One of our best players came from this tour last year. As College Coaches we love this. Really good players are being brought to us. What great exposure for players too." Coach Stamme, CLACKAMAS JUNIOR COLLEGE

"A great recruiting tool for us as College Coaches. Coach Scott has been helping athletes find homes in the Northwest for 2 decades and this tour has made recruiting even easier." Coach Aaron Landon, ST. MARTINS UNIVERSITY NCAA 2 Top 20

"This annual tour has been a great benefit to NW Colleges. With limited recruiting budgets, this tour is a huge bonus for us and made our recruiting much simpler. I trust Coach Scott's eye for talent and have taken many of his players!"
